Gamira is a daughter of the <u>Ircolando</u>, who died at the age of eleven. The stallion got his keur-predicate after his death due to his many successful offspring.

Gamira is a half-sister of the Mecklenburg-Vorpommern, Hannover- and Oldenburg approved jumping stud Levisonn (Levisto Z x Lennon). Dam Melodie VIII gave life to her talented son in 2005. During the 70-days-test he has beaten his fellow stallions with a twenty indexpoints difference. He won both dressage (139,57 punten) and jumping criteria (130,19). This is very rare. He now competes on 1.30m-level with Gerd Sosath's daughter Janne.

Gamira comes from the prestigious Holsteiner damline 776. The stallion <u>Lordanos</u> (<u>Landos</u> x Ahorn Z) also comes from this damline. It guarentees sporthorses that are willing to work. In 2013, the magazine 'Sport Horse Breeding' presented a list with the worlds most succesfull damlines. Damline 776 was the leader of this list.
