Kathryn is a beautiful filly that has lots of pedigree. However she was rather small at birth, she is growing very well now. She can canter really well and has an outstanding trot.

Her dam is Clarima is a daughter of Clarimo and originates from the world-famous Holstein dam-line 741. This dam-line has produced many international top horses such as [Olli-Pop](#) (by Olisco) with Richard Robinson and [Lausbub](#) (by Landmeister) with the German-Dutch rider Franke Sloothaak. But also the stud stallions [Capitalist](#) (by Capitol I), and [Cardento](#) (by Capitol I) that was part of the silver team medal at the Olympics in Athens under Peter Eriksson.

Kathryn's sire is [Etoulon VDL](#). His first offspring was born in 2013 but Wim Vissers had confidence in this stallion. Etoulon VDL was already very successful as a 4-year-old at stallion competitions in Enschede, Roosendaal and Zuidbroek; he won them all. Etoulon VDL stands out because of his incredible way of jumping. Etoulon VDL's offspring were the national foal champions in 2013 and 2014. In 2014 Javanille VDL became Dutch Foal Champion. [Javanille VDL](#) was not only Dutch Champion, but also Champion of Harich and reserve champion of the Provincial Foal Show of Friesland.
