Kyra Bien is a beautiful filly foal with an outstanding pedigree. She has a powerful gallop and a lot of jumping talent. Her mother [Tres Bien](#) is the offspring of the famous stallion [Caretino](#). Caretino himself jumped successful on international level under Bo Kristoffersen and Ludger Beerbaum. He gives lots of pedigree and very good jumping techniques. Caretino's father is the top stallion [Caletto II](#). Caretino's line also brought the stallion [Caridor-Z](#), who jumped on an international level under Jos Lansink.

Kyra Bien's mother Tres Bien comes from a very strong dam line, Holstein line 18B1. Her mother [Gera VII \(by Leonid\)](#) produced two talented horses that jump internationally on a 1.60m level ([Catwalk](#) and [Caretello](#)).

The father of Kyra Bien is the successful [Quidam's Son](#). He is mostly known and praised for his good character, intelligence and rideability. He inherits his motivation and powerful technique to his offspring. The stallion has a good overview and never abundances his rider. His father [Quidam de Revel](#) won under Godignon the bronze team medal during the Olympic Games in Barcelona. Shortly, Kyra Bien has excellent jumping genes.
